

# A DAY AT CAMP OTX

## MORNING PROGRAM

Mornings at OTX are filled with a variety of fun-packed activities and life-shaping experiences. After kicking off the day with a delicious breakfast and an exciting Morning Show, campers experience an hour of OTX's famed Team Competition. After a brief respite to relax and chill out, all campers participate in three distinct morning activities. Each camper's morning activity schedule is specifically tailored to his/her unique interests. Through these activities, campers have a total blast while learning new skills or improving old ones.

## AFTERNOON PROGRAM

It truly is a STAMPEDE. That's right, after another delicious meal and some short down time in our air-conditioned cabins, it's time for the one and only OTX Stampede. Activities are open and kids are free to do whatever they want, as many times as they want, for as long as they want. Not only that, but each day there are new and different surprises thrown in to keep it fun and interesting. The OTX store is available for grabbing a quick snack, visiting with friends, and taking a break from the excitement.

## EVENING PROGRAM

Just as the sun is beginning to set over the majestic hills, the entire camp participates in nightly age-specific, energetic worship services. These services are filled with singing, dancing, skits, and the presentation of the gospel in a casual, upbeat environment. After that it is time for our signature Special Events. Every night has a different theme and is filled with music, laughter, games, snacks, and just plain old-fashioned fun. The evening closes out with an age-appropriate cabin devotional.
